## TECHRAZVITIYE

**TITLE DESCRIPTION:** *Our event is TECHRAZVITIYE i.e., TECH (technology) and RAZVITIYE (evolution). Its basic theme is to boost up the brain and speed up their way of thinking. It is an event which can be opted by the student of any department. This is the event which brings one's knowledge into light with more fun and excitement.*

- *It's a three round and two per team event.*

### **ROUND 1: CRACK THE PUZZLE**

**Duration: 40 min**

*In this round, a participant can prove their talent in solving the questions based on technical, current affairs, aptitude. A total of 30 questions will be provided that consists of multiple choice questions, crossword puzzles, basics on electrical circuits, arranging the misaligned words, etc.,*

- *The questions will be interesting, simple and can be easily solved.*
- *Each question carries one mark and no negative marks.*
- *Ten teams will be promoted to the next round.*

### **ROUND 2: DETECTIVE MINDS**

**Duration: 40 min**

*In this round a particular incident will be displayed on the screen that contains logical clues. Participant should have logical and lateral thinking ability to answer the questions using the logical clues provided.*

- *This round provides a chance for every participant to become a Sherlock Holmes and solve their own mystery.*
- *It also contains identifying the famous characters shown in the projector.*
- *It is a buzzer round and the first one who press it will be given the first chance to answer the question.*
- *Mostly four teams will be promoted to the third round according to their performance.*

**Requirements:** *Projector.*

### **ROUND 3: LUCK FAVOURS THE SMART**

**Duration: 40 min**

*This round is based on both luck and talent. Everyone has an equal chance to win. The participants will be provided with multiple sets of questions in different levels like easy, medium, difficult which are named technically that hides the level of the questions.*

- *The leading team will be given first chance to select any set of questions from the given sets.*
- *If their answers are correct they will be awarded full points, else negative marks are allotted.*

- *If a particular team fails to answer the questions then there is a great chance for the other teams to challenge and answer them and gain half of the marks from them.*
- *Those who face more challenges and scored more points will be declared as winner.*

*This event is interesting with many added colours that makes every participant to participate with a great enthusiasm. This is a platform where one can exhibit their talent and improve their skills.*
