

OPTICA

DREAM HACKERS

Round 1: Last Is First:

Set of questions will be asked; in which, previous answer's last letter will be the first letter of the next question's answer.

Round 2: Rapid Data:

From the given grid of boxes, with missing letters, participants have to find the words, which will be in the reverse form.

Round 3: Extempore:

From the given set of topics, participants should choose a topic, to talk about it for at least for 3-5 minutes.

Round 4: Dazzled Death:

Participants have to go around the college, based on the clues, to find the suspect of the murder.
